The Fund is managed by Capita Financial Managers (Ireland) Ltd, part of the Capita Group.

Objectives and investment policy

Objective

The Fund's primary investment objective is longer term income growth while also seeking to preserve and increase its capital value through diversified investment in a portfolio of Japanese equities and related instruments which generate a yield above the market average.

Investment Policy

The Fund seeks to achieve its investment objective by investing in the equity securities of companies listed, or regularly traded on, a Japanese stock exchange. The Fund may also retain amounts in cash pending reinvestment.

Essential features of the Fund:

- The Fund has the discretion to invest in a range of investments as described above with no need to adhere to a particular benchmark.
- You can buy and sell shares in the Fund on each business day.
- Income from the Fund will be added to the value of your investment.
- **Recommendation:** This Fund may be suitable for those investors wanting to achieve longer term income growth with a diversified portfolio of Japanese equities and related instruments.

Risk and reward profile

- This indicator shows how much a Fund has risen and fallen in the past, and therefore how much a Fund's returns have varied. It is a measure of the Fund's volatility. The higher a fund's past volatility the higher the number on the scale and the greater the risk that investors in that fund may have made losses as well as gains. The lowest number on the scale does not mean that a fund is a risk free investment.
- The Fund has been classed as 6 because its volatility has been measured as above average to high.
- This indicator is based on historical data and may not be a reliable indication of the future risk profile of this Fund.
- The risk and reward profile shown is not guaranteed to remain the same and may shift over time.
- For full details of the Fund's risks, please see the prospectus which may be obtained from the address in 'Practical Information' overleaf.
